
Healing Thru Horses
Since 1998
a WORK of HEART
Annual Report
2025-2026

Dear ROCK Family and Friends,

This year was one of meaningful growth, expanded impact, and preparation for the future. Through intentional strategic planning and continued progress toward establishing an endowment, ROCK, Ride On Center for Kids, is strengthening its ability to serve more children, adults, and veterans for generations to come.

The generosity of our donors provided 83% of the financial resources needed to support our mission. Combined with 29,400 volunteer service hours, that support enabled ROCK to provide 10,143 hours of life-changing horse and human interactions. We remain committed to being good stewards of every gift entrusted to us, with 75 cents of every dollar invested directly into programs that help participants achieve greater independence, confidence, and essential life skills.

Exciting research involving individuals with Parkinson's disease and other genetic challenges continues to confirm what we have witnessed for years: the unique bond between horse and rider can significantly improve quality of life. These findings further reinforce the value and effectiveness of equine-assisted services.

We are deeply grateful to every family who trusts ROCK with their loved ones and to every supporter who shares their time, talents, and treasures with our organization. Your encouragement, generosity, and belief in our mission make this work possible.

Our opportunities for education and outreach also continued to expand. We strengthened our ongoing teaching partnership with Texas A&M University and continued sharing our award-winning documentary, Where the Horses Heal the Soul, across multiple platforms, including Apple TV, YouTube, and Prime Video. The film received additional recognition through several film festival awards, helping spread awareness of the healing power of the horse to audiences around the world.

ROCK also continued to partner with universities and provide internship opportunities, helping develop the next generation of professionals in the equine-assisted services industry as we prepare for the future.

Thank you for the vital role you play in supporting our families, horses, staff, and ROCKateers. Together, we are empowering individuals to build independence, strengthen life skills, and experience the life-changing benefits of partnering with the horse.

With sincere gratitude,

Dr. Nancy Krenek, PT, DPT, HPCS
CEO & Founder

Chris Miller, Board President

Healing Thru Horses

MISSION

Improving independence and life skills in partnership with the horse.

VISION

To be the trusted leader in equine-assisted services through research, education, and programs.

ROCKATEERS

Our mission is accomplished thanks to the passion and commitment of our volunteers, lovingly referred to as ROCKateers, who range in age from 14 to 92.

Training is offered throughout the year and, while horse experience is valued, it is not required. Help is always needed in the following areas:

- **Barn Maintenance**
- **Horse Handlers**
- **Sidewalkers**
- **Special Events**
- **Welcome Wranglers**
- **Work Groups**

Scan QR code or visit ROCKride.org/volunteer to get involved today!

The impact of ROCK's programs is seen in the research, goal documentation, surveys, and testimonies from the participants that ROCK serves.

91%
of children & adults improved in independence*

93%
of children & adults improved in life skills*

ROCK participants reported improvement in the following cognitive, motor, and behavioral skills:

ROCK On Veterans (ROV) participants reported improvements in the following areas**

83% Improved Mood

71% Improved Family Communication

76% Decreased Anxiety

** Results from 2025-2026 ROCK Participant Survey | ** Results from 2025-2026 ROCK On Veterans Participant Exit Survey*

I learned so much about myself these last 8 weeks. I've learned how to be more confident in myself while being in control of my horse. This place became a place that felt safe and has brought me so much peace. I was able to turn my brain off and focus on me. I am so happy to be a part of ROCK. Thank you all so much for everything you do.

~ ROCK ON VETERAN'S WOMAN PARTICIPANT

REVENUE & EXPENSES

We are grateful for all our monthly and yearly donors, those who attend our special events and support us through ticket sales and event sponsorships, as well as our grantors and foundation gifts, all of which contribute to our operational budget. This year the average gift of the individual contributor was $1,027.

IT'S ABOUT TIME
BARN 20 YEARS DANCE

ROCK's annual Barn Dance is one of Central Texas's premier fundraising events, bringing together a community of generous supporters, dedicated volunteers, and local leaders who believe in the life-changing impact of equine-assisted services. Blending western charm with an unforgettable evening of fellowship, entertainment, and philanthropy, the Barn Dance celebrates the spirit of ROCK and the people who make its mission possible. Guests enjoy an exciting live and silent auction, lively entertainment, and meaningful opportunities to invest in the future of children, adults, and veterans with physical, cognitive, and emotional challenges.

The Barn Dance is more than a celebration; it is a powerful investment in independence, confidence, and possibility. Through the generosity of sponsors, donors, and attendees, this signature event raises critical funds that help ROCK continue improving independence and life skills in partnership with the horse. Each year, the Barn Dance demonstrates what can happen when a community comes together with a shared purpose, ensuring that ROCK can continue serving individuals and families throughout Central Texas and creating meaningful opportunities for growth, connection, and a brighter future.

COURAGE & GRIT
Healing Thru Horses
COWGIRL Bruncheon

ROCK's annual Cowgirl Bruncheon is a celebration of courage, grit, and the power of women coming together to make a difference. This signature fundraising event brings together women from across Central Texas for an inspiring morning of connection, community, and philanthropy, with a special focus on supporting the women served through ROCK's programs. Featuring an engaging keynote speaker, special recognitions, and a stylish western-inspired atmosphere, the Cowgirl Bruncheon also honors Dr. Barbara Brightwell for her meaningful contributions and celebrates the strength, resilience, and determination of women who make a lasting impact in their communities.

More than a memorable gathering, the Cowgirl Bruncheon raises critical funds to support the women who come to ROCK seeking greater independence, confidence, connection, and opportunity. Through the generosity of attendees, sponsors, and community partners, this event helps ensure that women facing physical, cognitive, and emotional challenges have access to equine-assisted services that support their individual goals and improve their quality of life. Cowgirl Bruncheon embodies the spirit of courage and grit, reminding us that every woman deserves the opportunity to grow, discover her strengths, and reach her fullest potential in partnership with the horse.

2024

MIRACLES IN THE DIRT

Thank You DONORS

In 2014, ROCK began a capital campaign to purchase additional acres and to build a second arena. It was Charles Avery who instigated the purchase of more land while Barbara and George Brightwell supported the rally. We started with the purchase of 20 acres to the north. First Texas Bank funded the purchase and charged interest only for a few years. After this we began planning for a second arena. And magically, the south 20 acres hit the market along with a house and a barn. ROCK's board of directors voted "YES," and First Texas Bank supported us again. We began fundraising and were able to pay everything off in April 2023 with a final push grant from both the Harry E. and Eda L. Montandon Charitable Trust and W.D. Kelley Foundation. We celebrated by burning the final note at the 2023 Barn Dance. The expansion projects below have all been possible with the support of great donors.
We are especially grateful to Glenda and Ron Johnston, whose generous gift made our Equipment Barn possible in 2025.
To all who continue to lift and support ROCK, your commitment shapes our success, benefiting our families, staff, and beloved herd. Your contributions propel us forward, and we express our deep gratitude for the integral role you have in the ROCK community.

EQUINE-ASSISTED SERVICES

Programs

Speech & Physical Therapy Incorporating Equine Movement
Also known as Equine-Assisted Therapies (EAT), this strategy utilizes the dynamic movement of the horse to achieve speech therapy or physical therapy goals.

Adaptive Riding
Also known as Equine-Assisted Activities (EAA), adaptive riding is designed to teach horsemanship and riding skills to individuals with special needs, with the goal of increasing functional life skills.

ROCK On Veterans
ROCK On Veterans offers co-ed, women-only, and family programs for veterans and active-duty service members, partnering with horses and veteran volunteers. In addition, a fellowship meal is offered to our veterans both Tuesday and Friday evening, donated by the community.

Equine-Assisted Learning (EAL)
EAL is an educational approach that incorporates equine-facilitated activities using the experience of equine to human interaction in an environment of learning and self-discovery.

School Programs
Through partnerships with local school districts, ROCK is able to create connections with the horse and facilitate learning between diverse populations through Equine-Assisted Learning (EAL) programming.

Summer Camp
ROCK offers summer camps full of fun and horsemanship, including Camp Bright Side, an inclusion camp, and Camp Courage for children of veterans and active-duty service members.

Hoof Prints In Time
Hoof Prints In Time is an equine-assisted ground program designed to support individuals with memory loss, neurological conditions, brain injuries, and those receiving hospice care through meaningful interactions with horses. We partner with memory care, brain and spinal cord injury, and hospice facilities.

ROCK On Competitions Team
At ROCK, our students have the chance to participate in a variety of competitions and horse shows throughout the year. These competitions provide a valuable platform for our participants to showcase their hard work, build confidence, and celebrate their achievements.

Education

Texas A&M Courtney Grimshaw Equine-Assisted Services Program (Courtney Cares)
In 2012, ROCK began partnering with Texas A&M University to provide the staff, knowledge, and expertise in Equine-Assisted Services for a program on campus at TAMU in College Station, TX. Learn more at www.courtneycares.org.

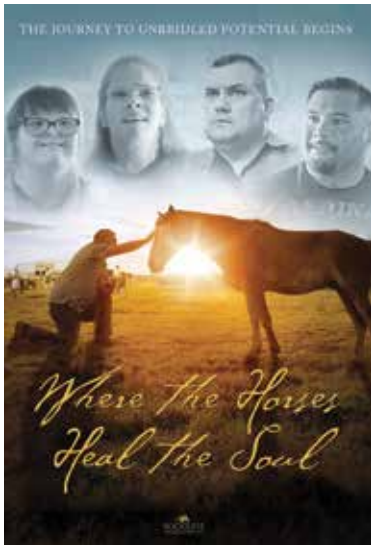

Intro to Equine-Assisted Activities and Therapies (EAAT) Course
In Spring 2018, Dr. Priscilla Lightsey and Dr. Nancy Krenek began teaching an Intro to EAAT course at Texas A&M in College Station. The lab for this class is conducted in the arena of Courtney Cares.

ROCKateers
ROCK has many opportunities for volunteers (ROCKateers) to expand their horse knowledge, serve on a board or committee, help with office work, side walk, horse handle, feed team and take on leadership roles in a volunteer capacity.

Internships
ROCK offers internships for individuals seeking to learn about EAS. ROCK partners with local universities as well as individuals seeking to be a certified therapeutic riding instructor.

Community Outreach
ROCK began tracking community outreach to better understand our reach throughout Central Texas. This allows us to measure the number of people we connect with and the impact we make beyond our facility.

Documentary
Where the Horses Heal the Soul is a documentary following children, adults, and veterans living with physical, cognitive, and emotional challenges. The film was envisioned and commissioned by George and Dr. Barbara Brightwell.

Research

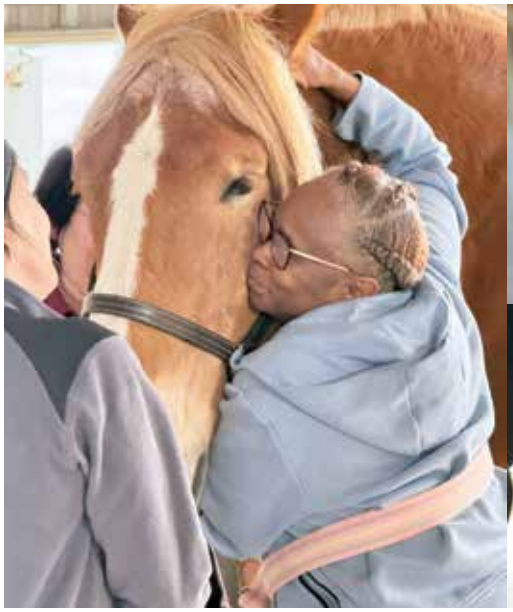

Research in Partnership with Institutions of Higher Learning
ROCK is fulfilling our vision to be the trusted leader in Equine-Assisted Services through research, education, and programs by collaborating with universities to conduct research to document the effectiveness of equine-assisted activities and therapies.

Research along with education and programs is one of the key visions of ROCK's vision statement. ROCK has been participating in research since 2007 and has now participated in 26 research projects with five being published in peer review journals. Studies have been completed on respiratory capacity, balance, autism, cerebral palsy, veterans and most recently with encouraging results for Parkinsons completed both at ROCK and at Courtney Cares. ROCK continue to work with universities for internships and capstones furthering the body of information regarding equine assisted services.

H.O.P.E. (Horses Offering People Enrichment)
ROCK provides educational and intern support to this nonprofit EAAT program serving children with special needs in Beijing, China. Dr. Priscilla Lightsey, who works at ROCK and TAMU Courtney Cares, is the Founder and Executive Director of H.O.P.E. Learn more at www.hopebeijing.org.

GIVING *Opportunities*

ROCK's annual operating budget is supported by generous donors like you through special events and contributions.

Special Events:

- Amplify Austin (March)
- Barn Dance (April)
- Boots in the Dirt (Year-Round)
- Horseshoe Club (Year-Round)
- Legacy of Hope (Year-Round)
- Cowgirl Buncheon (Nov)
- End of Year Giving (Nov–Dec)

Ways to contribute:

- Amazon Wish List
- Annual Giving Events
- Donor-Advised Fund (DAF)
- Endowments
- Individual Gifts
- In-Kind Gifts
- Monthly Giving
- Required Minimum Distributions (RMD)
- Stocks & Securities

To make an impact, scan QR code or visit ROCKride.org/donate-to-rock.

Contact Karah Powell for custom giving plan options to suit any situation at 512-930-7625 or email karah@rockride.org.

Every Miracle Begins with Boots in the Dirt

ROCK's volunteers, affectionately known as ROCKateers, are the heartbeat of our mission. Each week, they lead horses, sidewalk with participants, care for our herd, prepare equipment, welcome families, and ensure every class is safe and meaningful. Their dedication helps children, adults, and veterans build confidence, independence, and life skills in partnership with the horse. Last year, ROCK's volunteers contributed service valued at more than $900,000, demonstrating the extraordinary impact of their time and compassion.

The Boots in the Dirt Club was created to sustain this incredible community through monthly giving. These dependable gifts help recruit, train, equip, and recognize the volunteers who make our mission possible. By investing in our ROCKateers, donors help ensure every volunteer has the resources and support needed to continue changing lives. Together, we keep our volunteers in the dirt, our classes thriving, and the miracles happening at ROCK.

Honor Your Hero Military Pillar Plaque

Honor your loved one who served with a Military Pillar Plaque in a choice of three sizes. These brushed aluminum plaques with magnetic back will be proudly displayed on the red irons in the Sport Clips Heroes Arena.

Make a Lasting Impact with Legacy of Hope

The Legacy of Hope was created to honor individuals and families who have included ROCK in their estate plans. Their gifts will have a lasting impact on ROCK's participants, families, communities, and herd for years to come.

Your legacy gift will enable ROCK to continue our mission to improve independence and life skills in partnership with the horse for years to come for many more families.

Giving Through Donor-Advised Funds and Required Distributions

Many of our friends support ROCK through a donor-advised fund (DAF), and we're grateful to accept gifts recommended from DAFs at any time. If you have a fund through a national sponsor, a community foundation, or your financial institution, you can recommend a grant to Ride On Center for Kids using our tax ID, 74-2917659. We'll acknowledge your generosity just as we would any other gift.

We also welcome Qualified Charitable Distributions (QCD's) from IRAs. These are sometimes called Required Minimum Distributions (RMD's). If you are 70½ or older, you may be able to direct a gift from your IRA straight to ROCK, which can count toward your required minimum distribution while avoiding income tax on the amount given.

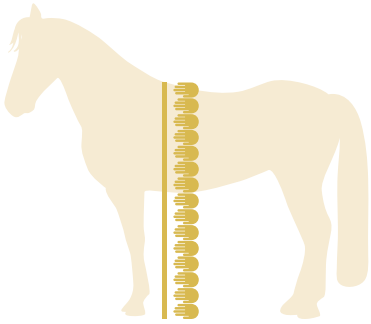

Sponsor a Horse Through ROCK Horseshoe Club

ROCK Horseshoe Club is made up of sponsors who provide for the care and feeding of our equine partners. Sponsorship of a horse provides for the daily needs of these amazing animals allowing them to perform life-changing therapeutic activities for individuals of all ages!

Horseshoe Club sponsors receive:

- Adopted horse certificate
- Recognition on ROCK website
- Updates throughout the year on the horse's status and program achievements
- Private invitation to Blessing of the Horses

Did you know?

Horses are measured in "hands"—originally the width of a man's hand and has been set to 4 inches. The average Quarter Horse is between 15-16 hands, while a pony is an equine under 14.2 hands. The only equines not measured in hands are miniature horses—they are measured in inches.

Thank you Belle

Thank you Belle for 12 years of incredible service to ROCK. You touched the lives of countless participants, volunteers, staff members, and visitors. You gave your whole heart to your job and were truly one of a kind. Your ROCK family misses you.
